

Bert's Tune
Kimbo Tippett — Tom Johnson — Gerald Martinez

Living in his house without his spouse he's had to stay.
Working in his shop without a stop. A long life's way,
and Bert is 85 years old today. Sparkling eyes in spite of age.

At night he rents his place to guys who love to play.
He just sits and listens after working there all day.
But old Bert just doesn't have too much to say.
He knows the truth that time is change.
