

# Rub a Dub Showdown

Kimbo Tippett — Jackson Rauch

Oh can you feel it? A funky little feeling,  
A feeling of love.  
All of us can feel it. Reggae music is love.  
Step on up. Got to keep on looking up now.  
Lift it up. Everybody got to be a lover tonight.  
Feeling so right.

Oh can you feel it? An irie little feeling,  
Feeling so nice.  
All of us should feel it. Let us live in the light.  
Mash it up. Got to keep on looking up now.  
Bounce on up. Got to step on out into the morning sun.

Celestial Musician... please, come down!  
Stick 'em up dread!

Can you feel it? Whey a whoy!  
Can you feel it? I say "Yaga yoy!"  
Can you feel it? Na na na na na...  
Rub a Dub Showdown

Skank it up! Got to keep on pushing up now.  
Rock on up. Everybody needs to be a lover tonight.  
Treat each other just right.
