## Lonnie Hill

Serving The Man upstairs. I'm serving Him.  
Serving The Man upstairs. Your will be done.  
Serving The Man upstairs. I'm your son.  
Serving The Man upstairs.

Don't wanna be no doctor. (Doctor!)  
Don't wanna be no lawyer. (Lawyer!)  
I just want to be free.  
To serve The Man upstairs.

Serving The Man upstairs. Every day of my life.  
Serving The Man upstairs. Stepping on through strife..  
Serving The Man upstairs. Your will be done.  
Serving The Man upstairs. Father, I'm your son.

Don't wanna be no senator. (Senator!)  
Don't wanna be no president. (President!)  
I just want us all to be free.  
To serve The Man upstairs.

Serving The Man upstairs. Every single day of my life.  
Serving The Man upstairs. Every single day.  
Serving The Man upstairs. Show the way.  
Serving The Man upstairs. I know you hear me pray.  
Serving The Man upstairs. Lord, guide my feet.  
Serving The Man upstairs. Put me where you want me, who to meet.  
Serving The Man upstairs. Let me be your tool.  
Serving The Man upstairs. Lord, I'm not no fool.  
Serving The Man upstairs. I'll be your weapon.  
Serving The Man upstairs. Just keep me steppin'.  
Serving The Man upstairs.
