

The Truth Shall Set You Free

Kimbo Tippett

“The Truth Shall Set You Free.”
There is no freedom in believing in a fantasy.
Look infinity straight in the face.
No more fear or flinching. Be brave, set the pace.
Only One is worthy of our faith and our trust.
No mere man is beyond being sussed.

“The Truth Shall Set You Free.”
Don't you know the end doesn't justify the means.
In time we all will see.
Real can be rough, but it purifies and cleans.
Only One is worthy of our faith and our trust.
No mere man is beyond being sussed.

Only One is worthy of our faith and our trust.
No mere man is beyond being sussed.

“The Truth Shall Set You Free.”
There is a plan. The thoughtful all agree.
This plan is not the plan of any men or man.
This is the plan planned in eternity.
Only One is worthy of our faith and our trust.
No mere man is beyond being sussed.

“The Truth Shall Set You Free.”
Life is much more than just a spending spree.
Men might mislead you with promises and lies.
Spoiled little boys think they're higher than the skies.
Only One is worthy of our faith and our trust.
No mere man is beyond being sussed.

Only One is worthy of our faith and our trust.
No mere man is beyond being sussed.
