

Stake in the Heart or a Steak on a Plate

Kimbo Tippett

Are you ready to do your part? Now is the time to get it straight.
Will you be a stake in their heart or will you be a steak on their plate?
It's up to you... What will you do?
Only two choices, as far as I can see...
One choice is freedom, the other... slavery.
Better find your courage. Be ready for a fight.
Someone needs to stand up and stand up for what is right.

Are you ready to do your part? Now is the time to get it straight.
Will you be a stake in their heart or will you be a steak on their plate?
Do you love the kids? You know what demons did.
Dark, sick devils. Identities well hid.
They want to keep you in a box and keep you on a grid.
Their deck is rigged. Every card is an ace.
It's obvious they never have been punched right in their face.

(Not yet.)

Are you ready to do your part? Now is the time to get it straight.
Will you be a stake in their heart or will you be a steak on their plate?
It's them against us. They're not one of us.
Divide and conquer is part of their plan.
But to separate from them preserves the dignity of man.
They say they want to help us, but their tone is seething.
They will always try to kill us just as long as they are breathing.

Are you ready to do your part? Will you be a stake in their heart?
Now is the time to get it straight. Will you be a steak on their plate?
