

I Want My Money Back

Kimbo Tippett

I have been robbed throughout my whole life.
One consistent stick-up like a gun or a knife.
When I get my paycheck at the end of the week.
They're always there dipping in their beak.

I want my money back. I want my money back.
I want my money! I want my money back.

They tell us that the thievery is for the people's good.
Legalistic jargon meant to be misunderstood.
They said that we could trust them.
"It's only for the old."
Little did we know... we all were being sold.

I want my money back. I want my money back.
I want my money! I want my money back.
I want my money back. I want it right now!
I want my money back! It's time for you to bow!

Do you wonder why I'm standing at your front door?
Maybe 'cause I'm angry? Maybe 'cause I'm sore?
I know that you think that you're another Gilgamesh,
I'll make you reconsider as I take my pound of flesh.

I want my money back. I want my money back.
I want my money back. I want it all back.
If we have to sell your mansion... I'm OK with that!
I want my money! I want my money back.

You have spent all our money for your plans.
We never should have let you have it in your hands.
You took all our wealth. Went against our will.
Stuck some in your pockets. Used the rest to kill.

We want all our money back. We want our money back.
We want our money back Want all our money back.

Court is in session. Here's what is in store.
We know who you are. You are a pedavore!
We know that you're nothing but a dirty little whore.
And we understand what the lamp posts are for!

I want my money back! I want my money back!
I want my money back! I want it all back!
We want all our money back! We want our money back!
We want our money! We want it all back.

We want it back. We want it back.
We're here to take it back.
We want it back.

We want our money. We want our money back.
We want our money back. We want our money back.
We are tired of all the attacks!
We want all our money back. We want it all back.
Stealing is stealing even if you call it "tax".

We want our money back. We want our money back.
We want our money back. We want our money back.
We want our money back. We want it all back.
We want our money back. We want it all back.

We want our money. We want our money back.
